Sir:

The instant paper responds to the final Office Action mailed December 30, 2003, after notice of appeal filed June 30, 2003.

In accordance with the final Office Action, the only remaining issue of record is the rejection of claims 10-15, 17, 23, 24, and 26-28 for alleged obviousness-type double patenting based on claims 1-8 of U.S. Patent No. 5,582,815. Reconsideration is requested in view of the terminal disclaimer submitted concurrently herewith.

The terminal disclaimer submitted herewith overcomes the rejection for obviousness-type double patenting. Accordingly, there being no remaining issues of record, immediate allowance of the subject application is in order.

Favorable action is requested.

Respectfully submitted,

JACOBSON HOLMAN PLLC
